

Greetings, fellow RMCCers!

The Club is exploring the possibility of ordering more of the 10-foot cam straps given to officers and trip leaders at the 50th anniversary celebration earlier this month. Strapworks has offered us outfitter pricing for a group order. The final price depends on quantity and shipping, but we expect the cost to be about **\$7-\$8 per strap**, including shipping. The straps are 1 inch wide and are made of utility polyester.

The same printed strap but in a color other than the original would require a minimum of three of that color and would cost about **\$9-\$10 per strap**, including shipping.

Plain cam straps (nothing printed on them) are also available and would cost about **\$5 per strap**, including shipping, for a 10-foot strap, with shorter and longer lengths available at a price difference of 20 cents per foot. The straps are 1 inch wide and are made of heavyweight polypropylene.

Available colors are shown on the Strapworks website: [Cam Straps - strapworks.com](http://Cam Straps - strapworks.com).

Straps would be available for pickup at the Permit Party on January 10 and could be paid for by cash, check, or Pay Pal (the latter for a slight additional charge to reimburse the Club for Pay Pal's cut).

**If you are interested in ordering a strap or straps**, please respond to this message **no later than Saturday, November 29**, specifying which type of strap you'd like (RMCC original blue, RMCC in another color, or plain strap), color, quantity, and, in the case of a plain strap, desired length, as outlined below.

- RMCC original blue (specify quantity; approx. \$7-\$8 per strap)
- RMCC in another color (specify color and quantity; minimum of 3 required; approx. \$9-\$10 per strap)
- Plain strap (specify color, length, and quantity; approx. \$5 per strap for 10', adjusted by 20 cents per foot for shorter or longer lengths)

Natalie Mack
