Dear Anne,

*On behalf of the Rocky Mountain Canoe Club, thank you for the many years of energy, enthusiasm, and steady paddling you've given to the club in so many different roles.*

*As Media Coordinator, you helped keep members informed and connected in the rapidly changing world of social media. Your insight into how to maintain an informative and safe presence was invaluable.*

*As Conservation Coordinator, you continued to jump in wherever needed—never afraid to grab a trash bag, or a to-do list. You coordinated clean-ups including Lagerman Reservoir and Union Reservoir. Our waterways are cleaner, and our karma is better, thanks to you.*

*You also volunteered for just about everything else. From trip coordination (Blue Mesa, Lagerman, Union, McIntosh, Boyd, etc!) to hosting pool sessions, to working with other clubs on shared events like the annual spring paddle and demo day, you were always willing to help make things happen. As part of the Officer group, you served on many sub-committees, contributing ideas, experience, and a cooperative presence when it mattered most.*

*We'd also like to acknowledge your time as Webmaster even though it was years ago. It was a crucial stretch of river. You helped get RMCC's online presence pointed in the right direction which made life easier for members long after your watch ended.*

*Anne, your willingness to jump in—whether with a paddle, a plan, or a clipboard—made you one of those paddlers everyone wants in the boat. We are incredibly grateful for everything you've done and wish you smooth water, tailwinds, and many smooth stretches of water ahead.*

*With warm thanks and best wishes,*

*The Board and Membership of the Rocky Mountain Canoe Club*
