JUNE 14, 1983

THANKS

Thanks to Jim Herring for compiling the equipment/suppliers list included in the last newsletter.

Thanks to the members who volunteered to lead additional trips. Anyone wanting to add trips contact Ray Crockett.

NAIL SOUP

We purposely did not schedule a trip for August 21 so all could meet at Wellington Lake for our annual mid-summer's afternoon party. The club is providing the drinks. You bring an ingredient for the infamous soup and another pot luck item. Scott Cragle and Andy Forberg are arranging for fund and games. Any ideas, give them a call. Everyone welcome! Canoes, friends, mother-in-laws optional. All pets must be under control at all times. Please contact Gaither Randall or Bob Aikin if you're coming.
