THANKS

Since this is my last newsletter as your Secretary-Treasurer, I want to say, "Thanks..."

Thanks, Ray Crockett...I could not have done it without you! You certainly made my job a lot easier by computerizing the membership roster and mailing list and trip schedules. Thanks for picking up trips that people signed up for and couldn't lead as well as doing trip and training scheduling.

Thanks, Lyn Berry for computer time, expertise and programming which helped Ray help me.

Thanks, Jim Herring for your work on the training, producing a suppliers list and running several solo training sessions for us.

Thanks, Sue Herring for your work on the newsletter, establishing our banner and format, besides helping to produce it, and visuals used during training.

Thanks, Gaither and Katie Randall for offering your house and hospitality to the club for the fall meeting, "Booze and Bragging," and all your work on the "Nail Soup" social.

(Lyn, Jim, Sue, Gaither and Katie were honored by the club with a dinner.)

Thanks, Scott Cragle and Andy Forberg for organizing and running the annual Canoe Club Games at "Nail Soup."

Thanks, trip leaders and trainers for doing it.

Thanks, Chris and Conrad for your help with the newsletters and organizational meetings in the "pre-baby" days.

Thanks, Gary Cox for introducing me to the Robert Service Weekly Reader's Club, adding a new dimension to canoe trips.

FALL MEETING

Our annual fall meeting is scheduled for Saturday, October 15, at 4:00 p.m. at Gaither Randall's house, [redacted], Littleton. We've scheduled a rain date for the following Saturday (October 22) if the weather is inclement on the 15th. This is a "Pot Luck" dinner. The club will provide hamburgers, hot dogs, soda and beer. You bring a "Pot Luck" dish.

If you have any slides or snapshots of this summer's trips with the club, you are welcome to bring them. We are requesting, so that everyone gets a chance to show their slides, please limit your presentation to a maximum of twenty-five slides. We are soliciting for an oversized portable screen (larger than 5 x 5 1/2 feet). If anyone has one, please contact me [redacted] or Gaither [redacted].

As most of you know, this is the time when we elect new officers for the following year. Ray and I would like to see three officers elected - President, Vice-President and Secretary-Treasurer. Our club has grown tremendously (we currently sport 172 members) and we feel it would be easier on our new officers if they had three to delegate duties among.

IN CLOSING...

Thank you all for making this a great canoe season. Many of you have shared some good ideas and suggestions with us and we want to encourage you to do the same with our new officers.
